

Good Luck to all our Vets

Several of our members will be competing this weekend in the **Veteran's Age Group Championships** held at Bletchley Leisure Centre.

The competition is used as a selection event for the British Veteran's Team to compete the World Championships later this year.

Good luck to Debbie Taverner, Caryl Oliver, Grace Coulter, Hilary Philbin, Barry Coulter, Anthony Silver, Steve Fox and, club coach, Jim Philbin.

The monthly Epee Night is now established as a popular event at St Paul's. Our next Epee Night will be on **Wednesday 8th February** - don't miss it, come and join us.

The evening will start at **7.30pm** and be run as a Poule Unique to give everyone the maximum number of fights and enjoyment.

Our purpose built Fencing Salle has eight metal pistes - so no hanging around waiting to get on a box.

No membership required just a visitor fee of £10 payable on the night.

Come along and join us for what will be a thoroughly enjoyable night of epee fencing and some socialising afterwards in the local hostelry.
