

National & International Honours for St Paul's Fencers

Amy Lineham Coach Jim Philbin Steve Fox

Amy Lineham, 16, added to the bronze medal she won in the **Women's Foil** event at the **National Cadet Championships** (for fencers under 17) last weekend by taking the gold medal in the more senior event, the **National Junior Championships** (for fencers under 20).

Amy fenced with great maturity and tactical awareness to overcome older opponents with greater experience and win her first national title. These results keep Amy on course for achieving her immediate ambition to represent Great Britain at the World Cadet & Junior Championships.

Steve Fox achieved his best ever result by winning the bronze medal in the **Men's Foil** event at the recent **World Veteran's Championships** held in Porec, Croatia. This result has made Steve even more determined to improve his performance next time and bring home the gold medal.
